One permit issued this month. Alan looked into the house on Maine Street and Alan could not get ahold of anyone on the phone and he isn't picking up his mail. Alan looked into the hole on Louisiana and Hwy 12 and found the owner lives in Chicago. Council asked that Alan send a letter to ask them what their plans are for the property.

Street Department

Clint is done trapping the beavers and he will be back in March. It is flowing but does need to be cleaned out. The street one down from the beaver dam the road is collapsing and clogging the north and south culvert on Illinois. Vicki asked Alan to find out if it is the property owners or Towns responsibility. Leaf machine is down and not sure when it will be fixed. Our compost site passed inspection.

Over the last 2 weeks EPA and AECOM came out and took samples of the ground. PINES samples will go to the EPA. And the AECOM samples will be done by a lab they choose. Mulch was taken from the compost pile for testing.
