Three permits were issued in the month of June. BZA granted one variance. 1 BZA fee charged and 1 meter inspection was done with no charge as they have a building permit issued to them. Alan let the residents that were in attendance that there is a restraining order on Carl Dawayn and that it includes the Town meetings since this is Alan's place of employment. Alan receive clarification on each of the bids to pave Second Place. After the Council looked at each bid Vicki made a motion to accept Rieth Riley's bid because they were less than Rowe and Sons Asphalt Paving, Inc. and they were the only one between the other two that were going to mill into the side streets and driveways off Second Place. George seconded the motion and the motion was voted on and passed 2-0. The Welcome to the Town of Pines sign was blown down and broken in a couple of places. Alan will fix this.
